

6th International and 27th National Congress of Physiology and Pharmacology of Iran

Dear scientists and students,

It is my pleasure, to inform you that upcoming 6th International and 27th National Congress of Physiology and Pharmacology of Iran, will be held at Mashhad University of Medical Sciences from September 2 to 5, 2025. Given your esteemed position as the Vice President for International Affairs, we kindly request your assistance in disseminating this information to the academic community and researchers, particularly through the university's international communication channels. This congress presents a valuable opportunity for the exchange of knowledge and experiences in the fields of physiology and pharmacology and related fields. The active participation of international professors, researchers, and students will greatly contribute to the success of this event.

Interested participants are kindly requested to register and submit their abstract(s) through the official congress website at <https://congr-phypha2025.mums.ac.ir/en/>.

For any inquiries or further assistance, please feel free to contact the congress secretariat via email at
