

محورهای برگزاری اولین کنگره بین المللی زیست مواد دارویی:

Application of Biomaterials in :

Biomaterials discovery for Drug delivery and personalized medicine:

- Biomaterials design
- Targeted and personalized interventions (Drug delivery, gene delivery,...)
- Advancements in disease prevention and diagnosis (Vaccins, antibody therapy,...)
- Artificial intelligence (AI) -based Biomaterial Discovery

Tissue engineering & regenerative medicine

- Gene / Cell-based & stem cell therapy
- Induce in vivo tissue/organ regeneration
- Wound healing
- Tissue engineering
- Fabrication biomimetic materials

Lab/body/organ on a Chip

- Novel micro-and Nano-technologies and fundamental principles
- Significant biological, chemical, medical, environmental applications

Bench To Market (Research to Clinic)

جزئیات برگزاری کنگره

پلتفرم های اطلاع رسانی کنگره :

- ایمیل اختصاصی کنگره icpb2024@gmail.com
- سایت کنگره icpb2024.kums.ac.ir

فراخوان ارسال چکیده به کنگره : ۶ اسفند لغایت ۱۸ اسفند ۱۴۰۲
